

FURTHER INFORMATION AND WAY FORWARD

WCC has asked individual authorities to look at the potential sites within their areas of responsibility in order to aid them in assessing which represent the best outcome.

This Newsletter, the Information Sessions and Response Form is aimed at providing information, encouraging participation and helping to shape a way forward; it is early days as may be seen from the 'Where we are with the Local Plan'.

The Parish Council's collective view, together with considerations received from residents, will be put forward to our District Councillors, neighbouring Parishes and Winchester City Council for discussion.

WCC will in turn hold a statutory consultation within the Local Plan process for the District as a whole.
